

Online Membership Pilot

A Program for Recruiting and Engaging New Members

"Our goal is to introduce substantial numbers of younger men into the activities of our Order in a way that will strengthen the benefits of our local councils.

Our goal is to recruit large numbers of young men who will form a large membership pool in each state that can be linked with local councils.

To do this we have concluded it is necessary to recruit younger members through the communication channels that they use and rely upon."

- Carl Anderson, Supreme Knight

Background

[PRINT SECTION](#)

At its meeting in April 2017, the Board of Directors, pursuant to Section 4 of the Charter of the Knights of Columbus, and Sections 9 and 37 of the Constitution and Laws, voted to allow men to be initiated into the Knights of Columbus by completing an online application and ceremonial. These men would then be Associate Members under the jurisdiction of the State Council of the state in which they reside.

At its meeting in June 2017, the Board of Directors, pursuant to Section 4 of the Charter of the Knights of Columbus, and Sections 9 and 37 of the Constitution and Laws, voted to establish an online ceremonial by which candidates for membership are initiated into the Order as Associate Members, without having to take the First Degree. The Board further voted to establish a state division under the jurisdiction of each state council of the Knights of Columbus. These divisions shall be composed of members who are initiated into the Order as Associate Members through the online ceremonial and who reside within each respective state council's jurisdiction.

The online membership initiative required two relatively minor changes to the Laws of the Knights of Columbus, which were accomplished by means of resolutions passed by the Board of Directors at its meeting in July 2017, and submitted to the Supreme Council. On August 3, 2017, the Supreme Council adopted the two resolutions: (1) Resolution 349, amending Section 120, permitting men who have entered the Order through the online initiation to purchase insurance, even though they have not taken the First Degree; and (2) Resolution 350, amending Section 240, authorizing the Supreme Secretary to issue membership cards to men who have entered the Order through the online initiation.

By virtue of the actions set forth above, every state council is now authorized to accept members through the online membership initiative, with no need to amend the state council by-laws. The Supreme Council office will administer the state divisions, including the collection of dues and the issuance of membership cards.

The online membership initiative is currently being piloted in a number of jurisdictions.

Rev. January 2018

Rights and Privileges

[PRINT SECTION](#)

Men who join the Order through the online membership initiative do not form a new class or type of member. Therefore, as members of the Knights of Columbus they are entitled to the rights and privileges of membership, which include:

- right to attend local, state, and Supreme Council events
- eligibility to attend local council meetings as nonvoting participants
- right to receive fraternal benefits
- eligibility to purchase Knights of Columbus financial products and services
- receipt of *Columbia* magazine and other Supreme Council publications

Rev. January 2018

Attendance at Meetings

[PRINT SECTION](#)

Men who join the Order online are permitted to attend local council business meetings, but may not vote unless they become members of that council. The *Guidelines for Conducting a Council Meeting* will be amended after the online membership pilot has concluded. In the interim, all states currently in the online membership pilot can waive the part of the *Guidelines* that reads "in the first section."

WHY ONLINE MEMBERSHIP?

The Supreme Council has conducted numerous listening sessions and surveys with both members and non-members over the last few years. Among the many findings was a strong indication that the Supreme Council should develop a new, online way to recruit potential members and form those men for committed, lifelong membership in the Knights of Columbus.

This new fraternal program seeks to help the Order maintain sustainable long-term membership growth by providing the opportunity for membership throughout the modern man's life cycle. This streamlined alternative helps acclimate men to the Order. Once a man has joined online, we will then work to incorporate him into a council and get him fully integrated with its activities.

[Online Membership Handout](#)[Webinar for Council Leaders](#)[Online Membership – PDF slides](#)

WHAT ONLINE MEMBERSHIP DOES

This initiative is an important step for our Order, and presents a tremendous opportunity for membership growth and engagement. The initiative allows for:

A Faster Way to Join – One of the most common objections to joining the Knights of Columbus is “I don’t have time.” Through Online Membership, a join process that can take as many as two months now takes five minutes.

A Digital Experience – This initiative provides a new membership experience that is tailored to younger men and busier men who may not yet be ready for council-based membership. This low-pressure, low-commitment and digital experience meets men where they are, helps to form them as Catholic men, and enables us to bring more men into the fold.

Leadership Guide

It's not necessarily what we do that makes us different but why we do it.
