Dear Friends of Life,

The recent change in the abortion laws, such as the one in New York State, which states that it is legal to take the life of an unborn child anytime during the pregnancy, makes it imperative that we be present at the Sonoma/Marin Fair. Our fair booth allows us to speak out for the babies in the womb who are not able to speak for themselves. Just being at the Fair with our materials which promote respect for human life from conception to a natural death, makes an impression on those who walk by. So please join us in this important work.

This year, 2019, is the 80th Anniversary of the Sonoma/Marin Fair so come and celebrate!

We thank our loyal volunteers and hope to see you again this year. Should you have friends who might like to join us by taking a shift at the booth, please encourage them to give Amy a call. We also thank those of you who send a financial contribution which makes our participation at the fair possible. The Petaluma Fair booth would not happen without your generous commitment.

Thankfully, our expenses remain the same at \$1000 and break down as follows:

- \$460 rent for the booth
- \$100 insurance
- \$140 passes for our volunteers
- \$300 literature

The fair will run from Wednesday, June 19 thru Sunday, June 23. We will need 30 volunteers. If you are able to work a 3 or 4-hour shift please call Amy Lane @ 707-225-2094 or email Amy at alberion@hotmail.com.

Please be generous with your time and resources so that we will be able to share our message with the thousands of fair goers. Please make your check payable to Sonoma County Pro Life and indicate on your check that it is for the Petaluma Fair booth. Send your tax-deductible contributions to:

Your outstanding support is greatly appreciated. Thank You.
Blessings!
